

Kris was initiated into Chapter W, Haddonfield in December 2010. She is a second generation P.E.O., and was referred by her mother (a 57 year member of Chapter Q, Michigan). Kris has held the positions of Vice President and President (twice) in Chapter W. In addition, at the State level she has been the chair of PCE, and the chair of Membership. Also, she was on the State reciprocity team during COVID.

Kris was raised in Michigan and attended the University of Michigan (Go Blue!) where she received her BA in Psychology (1987). She went on to earn her MSW from Western Michigan University in 1991. She worked in medical and physical rehabilitation facilities until her husband Jeff's career brought her to New Jersey, and she decided to stay home and raise her daughters Emily (28) and Abby (25).

Kris considers herself to be a "professional volunteer". She is very active in her church where she serves on the board of directors, works in the food pantry, assists with Vacation Bible School every year and serves on the social justice team. In addition, she sings in the choir.

Her interests and hobbies include exercise, reading (she has been in the same book club for 22 years!), cross stitch, gardening and music. Kris is honored to be asked to serve her P.E.O. sisters at the State level.
