

Five Word Memoir

Give each sister a pencil/pen and paper.

Five words describe the cardinal virtues of a true P.E.O. Purity, Justice, Faith, Truth, and Love.

If you had to write your memoir but could only use 5 words, what words would you choose?

2 ways to do this exercise.

1. Have each sister read her own list.
2. Have each sister write her list and hand it in to leader who will then read the “memoirs” and the group will try to figure out who is who.
