Bring Yourself in a Bag -Instructions for leader

Ahead of the meeting:

1. Send out a note asking each sister to bring 2 or 3 small items that represent something about them. Ask them to bring the items in a bag.
2. Print out game sheets, one for each sister participating.
3. Print out numbers. The sheets contain six tent cards. Cut on the dotted line, then cut to separate the three tent cards in each part. Fold the cards, then number them.

At the meeting:

1. When sisters arrive, take their bags and set them somewhere away from the meeting space.
2. Set the items out on a table or countertop away from the view of the rest of the sisters. Group each sister's items together and place a number next to them.
3. While you are setting up the items, ask another sister to assist you by giving out the game sheets and pens/pencils.
4. Invite everyone into the room and give them time to look at the items and fill out their sheet, deciding who brought what.
5. After the group is finished, start with number 1 and ask each sister to explain why they brought the items they did.
