

## **Honoring the special women in our lives**

### **Supplies needed:**

- Fresh long-stemmed daisies – one for each sister
- A vase

This exercise is a good way to get to know more about each other, while honoring women who have been a strong positive influence in our lives.

This exercise is a great one to do after an initiation.

### **Exercise:**

Give each sister a daisy.

At the start of each meeting, our chaplain prays that “all with whom we associate may be purer, braver, and stronger for our influence.” We honor our founders and strengthen our sisterhood when we keep the vows we make upon our initiation. There are many women who have influenced us in positive ways. We take time now to honor them and acknowledge what they have done to help grow to be the women we are and are always becoming.

Give each sister a chance to place her daisy in the vase and name a woman who has had a positive influence in her life and to say a few words about that woman.
