

Susan Schwarz Bio

Susie and her twin sister were initiated into their mother's chapter (Chapter N Westfield) while still in college. When their mother passed away the following year, Susie experienced first hand the loving concern so much a part of the P.E.O. sisterhood. Later, she helped organize and became a Charter Member of Chapter AS Westfield. Now, after her move to Point Pleasant, she calls Chapter AH Colts Neck home. She has held the offices of President, Vice President, Recording Secretary, Treasurer and Guard. She has also served on the State STAR committee since 2022.

Though born in Pennsylvania, Susie spent most of her school age years in Westfield, New Jersey. She graduated from Cedar Crest College with a BA in Elementary Education and from Kean University with a MA in Reading Specialization. She previously worked in both the North Plainfield and Westfield Public School systems.

Volunteerism has always been important to her. She is currently involved in her church, the local food pantry, and Bay Head Yacht Club.

Susie has been married to her husband Doug for almost 53 years. They raised two sons who have given them two lovely daughters-in-law and three grandchildren. Spending time with family is her greatest joy. But she also loves to travel and enjoys racquet sports, reading, knitting, and boating.
